5. To get to know peers from other countries much better.	x		
6. To learn what things are called in other languages.	x		
7. Did you like the activity/task?	x		

<i>Final Evaluation of the activity/task</i>
In spite of some technical problems such as a weak internet connection, students liked and showed interest in meeting teenagers from other countries and in using what they studied to interact in real-life situation. For most of the students it was the first experience of chatting through media which let interaction possible with voice and video. They had a lot of fun to meet their partners.
