

What is the hike ...

Drumetia noastra prezinta un traseu istoric . Cu ocazia vremii placute , echipa noastra a creat un traseu pe care toata echipa noastra a creat un traseu pe care toata echipa noastra a creat un traseu pe care toata
Our hiking shows a historic route. On the occasion of pleasant weather, our team created a route that everyone can get to know with us.

As you've figured out from the picture below, it's about the Hunziers' Castle. This is a good part of the history of the country being one of the most visited.

As shown above, the equipment needed for our hiking is based on a classic and lightweight for everyone. As a mountain climb, we want each of you to wear the necessary equipment for a lighter climbing dynamics. For better movement, please adjust to the conditions, bringing with you a rucksack filled with the necessary food. Below we offer some ideas for beneficial foods that are rich in carbohydrates

HISTORY

T

The uniqueness of the Hunedoara Castle consists of the high degree of representativeness for the military architecture of the southeastern Europe of the 15th century, as it meets the most developed elements of civil architecture.

The Great Palace is a French inspirational building, unique in the space dominated by the Hungarian kingdom at that time, illustrating the greatness of a large family of Hunedoreans, able to borrow architectural patterns from a space that houses one of the brightest
