WALKING THE LINE

Gemma Valle and Sara Campos

MONTJUÏC

Three years ago we went to Montjuïc. Montjuïc is famous because in 1992 have been the Olympics games. It's a mountain and in the hill there is a big castle. You have to walk a lot to arrive at the castle, but from there are a very good views.

CANAL OLÍMPIC

It is an artificial lake where you can do canoeing. It was opened in 1990 to celebrate the competitions of canoeing in calm waters of the XXV Olympics Games. We went two years ago and we do canoeing it was so cool.

COLLSEROLA

Collserola is a mountainous area and park in Barcelona. Is one of the largest metropolitan parks in the world. The top of the mountain calls Tibidabo. Last year we went there with the school and we enjoy it a lot.

MONTSERRAT

This year we went to the mountains of Montserrat with the Erasmus project (Healthy Town). Montserrat are some mountains and the hill of the mountains are round. In Montserrat there is a famous monastery and there are some kids that live there and sing very well. We went walking since Monistrol, a city down the mountains, we went walking up to the top and at the end we were so tired
