because the catalan organization was really good

Most partners follow the plan and agreements. Sometimes time is not being used effectively.

the students learn about traditions, history and get healthy habits.

The students learned a lot of things about history.

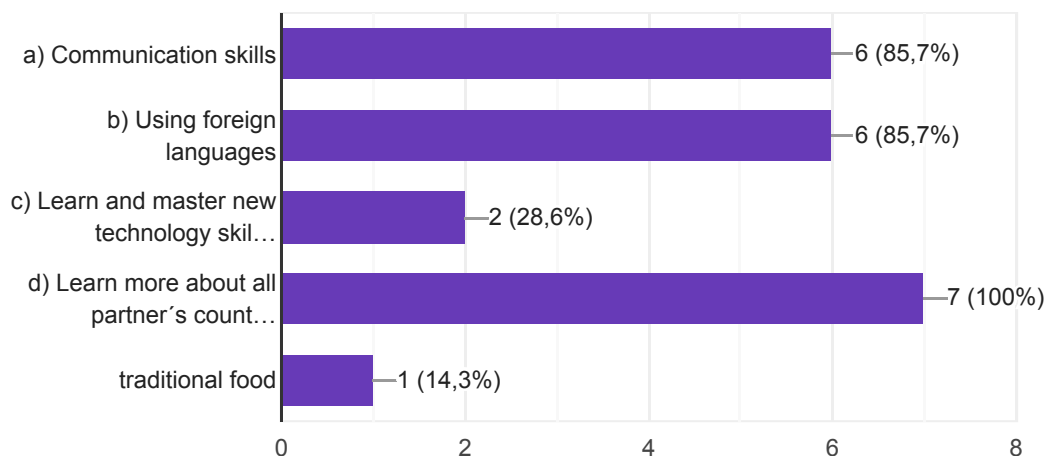

Agreements are kept, many activities are completed and many useful products have been created that can be used by everyone

Encourage mutual tolerance, international understanding, insight into historical events and a rethinking of one's own attitude and opinion

Collaborating with partners

What kind of experiences did you get through the project?

All was ok

More time for hiking. Provide more information about the sites you visit.

Organizing the meeting was really great!

Vera Good organization of the meeting

Output schedule sooner than this time
tell important things (sleeping bag) to coordinators sooner than this time

no

What will you remember most from this trip?

7 respostes

Hiking along the border between Spain and France.

Most of all, I will remember the hikes, great images, friendly conversations, the similar historical experiences of the countries we have learned.

I will remember the hiking and Jonquera Exil museum.

Holding and the landscape of the Collioure.

Great group, great weather, great conversations, great impressions, the hike with overnight stay in the hostel, visit in Barcelona

the wonderful interaction of the participating people with each other and a direct experience of the European idea

hiking

ANYTHING you want to say...
