

GEOCACHING

1. What is GEOCACHING?

- ▶ It is a modern kind of treasure hunt
- ▶ You can find different treasures in the world with the app
- ▶ This is all about GPS and the Internet 
- ▶ There are many types of caches: for the family, climbing caches...
- ▶ It's an app for everyone and any language
- ▶ Good for hiking! For us!!! ☺
- ▶ 2 million Geocaches worldwide!

2. How does GEOCACHING work?

- ▶ Download GEOCACHING:  
- ▶ Look at the Geocaching map
- ▶ Make GPS on
- ▶ Look for a Geocache (Geocaches are the treasures you can find)
- ▶ Go to the Geocache
- ▶ If you find it, you must sign and date it in your logbook
- ▶ Then lay it how you found the Geocache
- ▶ Share your experience online!!!

... and FINALLY... ENJOY IT!!!

HOW MANY GEOCACHES CAN YOU FIND??
